

THE HOUR APPROACHES

THIS CARTOON FURNISHED BY THE MINNESOTA COMMISSION OF PUBLIC SAFETY

COTS AND TENTS FOR ENCAMPMENT NEEDED

Bemidjites who have cots, tents or mattresses they wish to loan to the Home Guards for their encampment trip at Red Lake will please notify Lieut. A. B. Palmer. The boys are sadly in need of bedding equipment and will appreciate the cooperation of all who can offer assistance along this line.

And He Did.

A country deacon went home one evening and complained to his wife that he had been abused down at the store shamefully. "One of the neighbors," he said "called me a liar." Her eyes flashed with indignation. "Why didn't you tell him to prove it?" she exclaimed. "That's the very thing—that's the trouble," replied the husband; "I told him to prove it, and he did."

GET YOUR BANNER TO ADVERTISE THE FAIR

The Pioneer has several more small banners to attach to the back of automobiles to advertise the Beltrami county fair. Owners are invited to call and secure one and attach it to their car to help boost the fair.

Scores of Bemidji car owners and those from outside the city already are displaying these banners and farmers are also invited to secure one.

Attention, Club Secretaries.

If the meeting date of your club is not correct, or does not appear, or if your club name does not appear, please send in the name and the correct meeting time and the same will be published in this column each week. We earnestly solicit farmers' clubs items and will appreciate your co-operation.
